**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who highly supports broadband competition. The best internet and telephone service and rates I have experienced is with a local fiber optic provider (Sonic). Service far exceeds what I had previously experienced with DSL or cable internet providers and AT&T land-line telephone, and rates are far lower.
